Son Grown Preschool is an educational and outreach ministry of the Evangelical United Methodist Church. More information about us can be obtained from the SonGrown Preschool Brochure on the e-umc.org website.

If you are wanting to register your child for our 2017-2018 school year, you can complete the registration form to the right or the form on the back page of the brochure and bring it to the preschool or stop in to see us at 1000 Flaxmill Road, Huntington and get a form to register.

We value your child and want him/her to get a great start to their education and to love learning. We use a Bible based and life skills curriculum that will give a good basis for his/her academic world.

Looking forward to meeting you and your child.
