

## Mission Statement

Son Grown Preschool is an educational and outreach ministry of the Evangelical United Methodist Church. The program is designed to serve God's unique creations in a loving, nurturing, Christ-centered environment where spiritual awareness has the opportunity to develop along with appropriate readiness and developmental skills for Kindergarten. We believe that a faith-driven program will provide a special place for these unique people to flourish.

## Purpose

As an outreach ministry, we will endeavor to provide a program of Christian education, readiness, and partnership with parents of all children regardless of ethnic, cultural, economic, and religious backgrounds.

## Objectives

- To learn Christ's love for all people.
- To develop skills of self-discipline and behavior that are appropriate for home, classroom, church, and community.
- To learn and master basic preschool skills such as cutting, shapes, colors, numbers and the alphabet.
- To develop individual talents and recognize them as a gift from God.
- To learn to plan, share, socialize and grow emotionally in a God pleasing way.

## Curriculum

- **Christian Education** - including Bible stories, songs and prayers.
- **Language Arts Readiness Activities** - including letter recognition, memory, left-right tracking, sequencing, rhyming and attention span.
- **Math Readiness** - including counting, classifying, measurement, patterning and numeral recognition.
- **Physical Development** - including creative art activities, blocks, creative dramatics, manipulatives, music, group play and outside play.
- **Concept Readiness** - color, shape, sizes, opposites and visual recognition activities.
